

CEDAW-Aligned Indicator Matrix: GBV & TFGBV

I. STRUCTURAL INDICATORS

Existence of legal, policy, and institutional frameworks

Domain	Indicator	Definition / Measurement	Primary Data Source	Legal Basis
Legal Framework (GBV)	Comprehensive GBV legislation in force	National law criminalizes domestic violence, sexual violence (including marital rape), sexual harassment, and harmful practices	Statute review	CEDAW Arts. 1–2; General Recommendation (GR) 35
Legal Recognition	GBV recognized as discrimination	Law or policy explicitly defines GBV as discrimination against women	Statute / policy review	CEDAW Art. 1
Policy Framework	National GBV action plan adopted	Existence of a time-bound, costed GBV strategy	Govt. policy documents	GR 35 para 26
Institutional Mechanism	National GBV coordination mechanism	Designated inter-ministerial body mandated to coordinate GBV response	Govt. notification	Due diligence
TFGBV Criminalization	TFGBV offences criminalized	Laws address cyberstalking, online sexual harassment, threats, non-consensual image sharing	Penal / cyber laws	GR 35 para 20
Platform Regulation	Digital platform obligations	Legal duty for platforms to prevent, remove, and report TFGBV	Regulatory framework	Due diligence
Remedies	Survivor access to remedies	Availability of protection orders, takedown orders, civil remedies	Law / rules	CEDAW Art. 2(c)

II. PROCESS INDICATORS

State action, implementation, and due diligence

A. Prevention

Domain	Indicator	Measurement	Data Source	Frequency
Education	Schools with GBV prevention education (%)	% of schools implementing GBV-related curricula	Ministry of Education	Annual
Awareness	National GBV awareness campaigns	Number of campaigns conducted by State	Govt. reports	Annual
Capacity Building	Officials trained on GBV (%)	% of police, judges, prosecutors trained	Training records	Annual
TFGBV Capacity	Cyber-GBV trained personnel (%)	% of cyber units trained on TFGBV	Law enforcement	Annual
Digital Literacy	Online safety programmes	Existence and coverage of State-led programmes	ICT Ministry	Biennial

B. Protection and Support

Domain	Indicator	Measurement	Data Source	Frequency
Shelter Access	Shelters per 100,000 women	Ratio of shelters to female population	Social welfare dept.	Annual
Helplines	24/7 GBV helpline operational	National helpline available nationwide	Govt. services	Annual
Survivor Support	Survivors receiving psychosocial care (%)	% of registered survivors receiving services	Service providers	Annual
TFGBV Support	Digital evidence mechanisms	Availability of mechanisms to preserve digital evidence	Police / courts	Annual
Platform Response	Average takedown time (hours)	Time between complaint and content removal	Platform reports	Annual

C. Access to Justice & Accountability

Domain	Indicator	Measurement	Data Source	Frequency
Reporting	GBV complaints registered	Number of GBV complaints filed	Police data	Annual
Prosecution	GBV prosecution rate (%)	% of reported cases prosecuted	Prosecutor data	Annual
Conviction	GBV conviction rate (%)	% of prosecuted cases resulting in conviction	Court records	Annual
TFGBV Justice	TFGBV cases adjudicated	Number of TFGBV cases reaching adjudication	Courts	Annual
Timeliness	Average case duration (months)	Time from filing to judgment	Court statistics	Annual

III. OUTCOME INDICATORS

Impact on prevalence, safety, and equality

A. Prevalence & Incidence

Domain	Indicator	Measurement	Data Source	Legal Basis
IPV	Intimate partner violence prevalence (%)	Women experiencing IPV (12-month / lifetime)	Population surveys	SDG 5.2.1
Sexual Violence	Sexual violence prevalence (%)	Lifetime experience of sexual violence	Surveys	SDG 5.2
Femicide	Femicide rate	Gender-related killings per 100,000 women	Police / health data	GR 35
TFGBV	Online harassment prevalence (%)	Women experiencing online abuse	Surveys	GR 35
Image Abuse	Image-based abuse prevalence (%)	Non-consensual image sharing	Surveys	GR 35

B. Access to Justice & Social Norms

Domain	Indicator	Measurement	Data Source	Legal Basis
Reporting Gap	Reporting rate (%)	% of survivors reporting incidents	Surveys	CEDAW Art. 2
Survivor Trust	Satisfaction with justice (%)	Survivor satisfaction surveys	Independent surveys	Due diligence
Social Norms	Rejection of GBV-justifying attitudes (%)	Attitude surveys	National surveys	CEDAW Art. 5
Repeat Harm	Repeat victimization rate	% experiencing repeated GBV/TFGBV	Police / surveys	GR 35
